Docket No. 07-135, Developing a Unified Intercarrier Compensation Regime,
CC Docket No. 01-92**

Dear Ms. Dortch:

On Friday, January 28, 2011, David Erickson, Joshua Lowenthal, Hector De La Torre and the undersigned of Free Conferencing Corporation; Megan Delany of Delany Advisory Group, LLC; and Mary Diamond Stirewalt of Mary Diamond Strategies, LLC met, via teleconference, with Jay Atkinson, Randy Clark, Victoria Goldberg, Rebekah Goodheart, John Hunter, Al Lewis, Travis Litman, Jenny Prime, and Doug Slotten of the Wireline Competition Bureau, and separately, via teleconference, with Margaret McCarthy, Wireline Policy Advisor to Commissioner Coppins, to discuss issues related to the above-referenced dockets.

In the meeting we discussed the need to eliminate current abuses occurring within the existing intercarrier compensation regime while preserving the pro-consumer and pro-competitive benefits of services such as free conferencing services. We also discussed several proposed solutions to accomplish these goals. The discussion in the meetings was consistent with the attached presentation, which was distributed electronically to meeting attendees.

Should you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

/s/ Jeff Holoubek
